Gobichettipalayam, Erode - 638505.

PROFESSIONAL SUMMARY

Computer Science Engineering student with hands-on experience building full stack web applications using Django, React, Spring Boot, and REST APIs. Strong foundation in Python, Java, SQL, Git, and cloud deployment. Passionate about backend engineering, AI applications, and solving real-world problems through software development.

EDUCATION

B.E. in Computer Science and Engineering	2024 - Expected pass out 2028
Dr. NGP Institute of Technology, Coimbatore - CGPA: 8.4	
Higher Secondary	2022 - 2024
BAVN Higher Secondary School, Sathy, Erode - HSLC: 90%	
Secondary School	2012 - 2022
Best Matriculation School, Kallippatti, Erode - SSLC: 91%	

TECHNICAL SKILLS

- Programming languages : Python,Java,HTML,CSS,
- AI : Prompt Engineering, Sentence Transformers
- Frameworks : Flask,Django,Springboot,React
- Database : PostgreSQL, MySQL, SQLite
- Tools & Technologies : Git, GitHub, Postman, Render, Vercel

ACHIEVEMENTS

- Won a cash prize at the BIT Hackathon 2025.
- Developed and deployed multiple real-world web applications.

PROJECTS

- **Automated Attendance System:** OTP based attendance management.
- **Banana Billing:** Billing and invoice management system.
- **Personal Finance Tracker:** AI-powered expense and budget tracker.
- **Offline AI Assistant:** Offline voice-controlled personal assistant.

EXTRACURRICULAR ACTIVITIES

- Participated in inter-college hackathons.
- Built AI and full-stack projects.
- Regularly practice coding and problem-solving.
- Continuously learn new technologies.

CERTIFICATIONS

- Served as an intern at EliteCrows InfoTech, Gobichettipalayam, focusing on Full Stack Development.
- Participated in the UI/UX course, earning one credit, organized by PinesPhere Solutions.
- Completed some certifications like python,java,HTML and so on ,in Simplilearn,GreatLearning.
- Certified in NPTEL platform for completing Cloud Computing course with 65%.

STRENGTH

- Passionate about learning new technologies and applying them to solve real-world problems.
- Strong analytical and problem-solving skills with a logical approach to challenges.
- Quick to adapt to new tools, frameworks, and changing work environments.
- Work effectively both independently and collaboratively in a team environment.
